PATIENT CONSENT

I, the undersigned do hereby (1) consent to the performance of medical services, (2) authorize payment to be made directly to RIA Endovascular, and (3) authorize RIA Endovascular to disclose for the purpose of reimbursement or quality assurance, information from the patient's medical/surgical records to his/her insurance company, or corporation or to any government agency.

I am aware that if **NO** insurance information is provided or the above insurance information is not complete or accurate, I am financially responsible for all services rendered. I understand that RIA Endovascular will collect directly from me any co-insurance deductibles and/or co-payments due in accordance with my health care coverage/plan.

MEDICAL INFORMATION AUTHORIZATION RELEASE - HIPAA

In general, the Health Information Portability and Accountability Act (HIPAA) privacy rule gives individuals the right to request restrictions on the use and disclosure of their protected health information (PHI). The individual is also provided the right to request confidential communication or that communication of PHI is made by alternative means (such as sending correspondence to the individual's office instead of the individual's home). We will take reasonable steps to limit the use or disclosure of and requests for PHI to the minimum necessary to accomplish the intended purpose. These provisions do not apply to uses or disclosures made pursuant to an authorization requested by the individual. We will keep a record of all PHI disclosures. Uses and disclosures may be permitted without prior consent in the event of an emergency.

I authorize the staff of RIA Endovascular to release any medical information to the following people:

Spouse _____ Phone _____

Partner _____ Phone _____

Parent or Guardian _____ Phone _____

Other _____ Relationship _____ Phone _____

AUTHORIZATION FOR DISCLOSURE OF HEALTH INFORMATION AND PHOTOGRAPHY

I hereby give my consent to have before- and after-surgery photographs, made of myself and agree that these images may be used by RIA Endovascular. **My name and face will NOT be included under any circumstances.** Only references to the sex, age, condition and other life-style limiting factors relevant to the treated condition will be listed. Non-identifying information may appear in professional and education presentations, on the website, and in any media formats, including composite or modified representations for such purposes. This includes digital, printed materials, public relations, advertising, trade, and other commercial purposes by RIA Endovascular.

I further release RIA Endovascular from any claims that may arise regarding the use of my image(s) including any claims of defamation, invasion of privacy, or infringement of moral rights, rights of publicity or copyright. I understand this authorization may be revoked in writing at any time, except to the extent that action has been taken in reliance on this authorization. Unless otherwise revoked in writing, this authorization will remain in effect in perpetuity. RIA Endovascular, the facility, its employees, officers, and physicians are hereby released from any legal responsibility or liability for disclosure of the above information to the extent indicated and authorized herein.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

How we may use and disclose health information about you:

We may use and disclose medical information about you for **treatment** (by sending information about your procedure to another physician involved in your care as part of a referral): to **obtain payment for your treatment** (such as sending information to your insurance company or Medicare) and to **support our health care operations** (such as comparing patient data to improve our quality of care).

We may disclose medical information about you to our business associates that provide us with administrative support in rendering your care. Business associates are required by contract and by law to comply with the same provisions of federal privacy laws (HIPAA).

We may also use or disclose your medical information for several other purposes. Subject to certain requirements, we may give out medical information about you for public health purposes, abuse or neglect reporting, health oversight audits or inspections, research studies, workers compensation purposes and emergencies. We also will disclose medical information when required to by law, such as in response to a request from law enforcement in specific circumstances, or in response to valid judicial or administrative orders.

We also may contact you for appointment reminders, or to tell you about or recommend possible treatment options, alternatives, health related benefits or services that may be of use to you.

We will request your written authorization before using or disclosing medical information about you for marketing purposes, for uses and disclosures that constitute the sale of health information and for other uses and disclosures that are not described in this notice. If you authorize certain uses or disclosures of your health information, you can later revoke that authorization by notifying us in writing of your decision.

Your rights regarding your medical information:

You have the right to review and obtain a copy of your medical record.

You have the right to restrict disclosures of your protected health information to health plans, relative to specific services, if you have paid for that service out of pocket in

full, unless the disclosure is required by law.

You have the right to request that we amend your medical record by submitting a request in writing that provides your reason for requesting the amendment.

You have a right to a list of any instance since April 14, 2003, where we have disclosed your medical information, other than for treatment, payment, health care operations or per your written request.

You have the right to request how your medical information is communicated to you. Your request must specify how or where you wish to be contacted; all reasonable requests will be honored.

You have the right to be provided with a paper copy of this notice for your own use if you so request.

Our responsibility to you:

- We have a duty to maintain the privacy of your medical information and provide you with the notice of our legal duties and practices.
- We are required by law to notify you following a breach of your unsecured protected health information.
- We are responsible for abiding by the terms of the privacy notice currently in effect.
- We are responsible for providing our patients with revisions to this privacy notice by ensuring the most current notice is always posted on our web site. We reserve the right to change the terms of this notice without advance notice, making it effective for all protected health information we maintain. We are responsible for maintaining documentation of privacy notices and written acknowledgements for a period of six years from the date of creation or the date last in effect, whichever is later.

Complaints:

If you are concerned that your privacy rights may have been violated, or if you disagree with a decision we made about access to your records, you may contact the Privacy Officer at (720) 493-3731.

You may also file a complaint with the Department of Health and Human Services' Office of Civil Rights at (800) 368-1019.

If you have a complaint about Radiology Imaging Associates, PC, the provider of professional imaging interpretation for Invision Sally Jobe, you may file a complaint with the Joint Commission at (800) 994-6610.

Signature _____ Date _____

FOR STAFF USE ONLY:
PLACE PATIENT STICKER HERE.

We are pleased that you came to the RIA Endovascular for your treatment! It is the goal of our entire staff and medical team to provide you with the best outcome possible.

How may I pay?	We accept cash, personal checks and credit cards (VISA, MasterCard, American Express and Discover).
Do I need a referral?	If you are insured through an HMO, you are required to obtain an authorization form from your primary care provider, family physician or nurse practitioner before your visit(s) can be scheduled. Although we will make every effort to help you with this process, if we have <i>not</i> received an authorization from your referring physician prior to your arrival at the office, you may elect to self-pay or have your visit rescheduled.
What is my financial responsibility for services?	This will vary depending on such factors as your insurance coverage, healthcare needs and financial considerations. See the grid below for more details.

Your Insurance Coverage	Your Payment Responsibilities Include:	I have read and understand this form and my financial responsibility. Please initial.
Self-Pay No Insurance	All payment is expected in full at the time of service unless you have previously arranged a payment plan with us. <i>Self-Pay payment plans must be made prior to your visit by calling RIA Endovascular at 720.493.3406.</i>	
Self-Pay Individual has active insurance but voluntarily elects not to use it	All payment is expected in full at the time of service unless you have previously arranged a payment schedule with us. NOTE: Once you elect to self-pay for a service, you remain responsible for 100-percent of the payment due to RIA Endovascular even if you later decide to submit a claim for services to your insurance carrier. <i>Self-Pay payment plan must be made prior to your visit by calling RIA Endovascular at 720.493.3406.</i>	
Commercial Insurance <i>In-Network or Out-of-Network</i>	All payment is expected in full at the time of service for all known and estimated co-pays and deductibles. After service is provided, you will be responsible for any part of your bill not paid by your insurance carrier, including co-pays, deductibles, co-insurance. This includes the balance between the initial known and estimated out-of-pocket costs and the actual patient responsibility cost as determined by your insurance carrier.	
Medicaid	If for any reason your service is not covered due to a cancellation, break in coverage or non-coverage by Medicaid, you will be responsible for all charges related to the services received.	
Medicare	We will file all claims to Medicare and any secondary insurance/s. It is your responsibility to provide our office with any supplemental insurance information. You will receive a statement for any charges not covered by Medicare and secondary insurance carrier/s.	

Late and No-Show Policy

If you show up 15 minutes or more past your scheduled appointment time, you are considered late and we may need to reschedule your appointment. If you can't make an appointment, please let us know so we can give your appointment to another patient. We reserve the right to apply a no-show fee of \$75 where allowable by law for no-show appointments.

Acknowledgment

- I have read, understand and agree to the above Patient Payment Policy. I understand that charges not covered by my insurance company, as well as applicable co-payments and deductible, are my responsibility.
- I authorize my insurance benefits to be paid to RIA Endovascular.
- I authorize RIA Endovascular to release pertinent medical information to my insurance company when requested and to facilitate payment of a claim.

Dear Patient,

The staff and physician owners of RIA Endovascular welcome you to our facility. To ensure that we are providing the best possible patient experience, we encourage you and your family members to let us know how we are doing and if you have questions any time during your care.

Throughout the course of your treatment with RIA Endovascular you may be referred for outpatient diagnostic imaging or interventional radiology procedures in our procedure room. It is our intent and responsibility to inform you that our physicians have a financial relationship with the RIA Interventional Suite and the outpatient imaging facilities Invision Sally Jobe.

You have the option as a patient to choose where you want your diagnostic imaging or interventional radiology procedures performed. We will work with you to obtain authorization from your insurance at the facility of your choice. If you do not inform us during your visit of alternative facilities for your diagnostic imaging or interventional radiology procedures, we may send a referral to RIA Interventional Suite and/or Invision Sally Jobe. We are always available to discuss your options and answer any questions that you may have. In addition, your insurance company can be used as a resource for alternative facility options.

Sincerely,

The Physicians at RIA Endovascular
